TENNIS POLICIES

Club policy requires that everyone check in at the front desk, keep a valid CC on file and pay prior to play. This includes non-members who play in club programs.

Once players commit to playing in a weekly club program, they are responsible for payment and will be charged unless they are replaced by a paying player.

There is a 24 hour cancellation policy that applies **only** to lessons or court reservations. No shows, late cancellations or late defaults are required to pay for the full court fee.
